

CERTIFICATE OF ANALYSIS

3-Methyl-L-Histidine

3700-3000

Product: 3-Methyl-L-Histidine
Part Number: 3700-3000
Lot Number: 202015
Production Date: September 2008
Expiration Date: NA

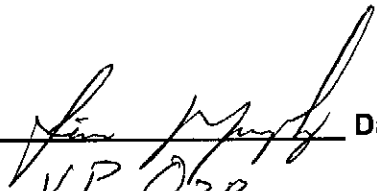

Primary Application: Used in chromatographic standards for Amino Acids Analysis

Formula: $C_7H_{11}N_3O_2$

Synonym: N¹-Methylhistidine

Purity >99 % (tested using cation-exchange chromatography with post-column derivatization with Ninhydrin)

Storage Conditions: Dry at 4°C to 8°C

Analysis Certified by:  **Date:** 15 MAR 2012
